

KEFRI/AD/SD/VOL.XI (852)

24TH MARCH 2025

TO INVITED BIDDERS

Dear All,

CLARIFICATION/ADDENDUM NO. 1

TENDER NO. KEFRI/ONT/009/2024 – 2025

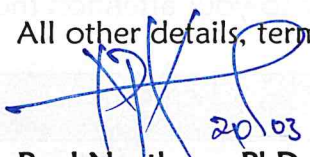

TENDER NAME. **SUPPLY, DELIVERY, INSTALLATION AND COMMISSIONING OF ENTERPRISE SERVER.**

The Kenya Forestry Research Institute (KEFRI) would wish to bring to your attention the following clarification: -

Technical Clarifications Required		Response
	EDMS Server	
1	Operating System Windows® Server 2022 Standard 16 Core License Pack with backup/ recovery installation disk – server has 2 x 32 Core processors; hence I have correctly licensed Windows for 64 cores – cannot have 16-core license only. Price Schedule indicates Windows Server 2025 so its correct to assume operating system will be 2025, Kindly clarify the above	Windows Server 2025 for 64 Cores
2	Doesn't come with physical DVD media – you would need to download.	Provide Installation medium as requested in alternative format (flash drive)
3	Display Screen 24-inch Full HD, IPS, LED backlight, antiglare, 16.9 Aspect Ratio, with VGA and HDMI Ports. Same Brand as Server. Include 10M HDMI and VGA Cables. – Dell don't have a 24" LED KMM – only 18.5", and it doesn't support HDMI. I have added Dell 18.5in LED KMM DKMMLED185-001 - International English Keyboard and rackmount kit for it - https://www.dell.com/en-nz/shop/dell-185in-led-kmm-dkmmled185-001-international-english-	Provide as per technical specifications given

	keyboard/apd/481-bbbc/wifi-and-networking - let me know if you need it removed and you will include another product.	
4	Dual Port 10/25GbE SFP28, OCP NIC 3.0 – they have not asked for 10Gb or 25Gb SFPs for use with this NIC.	Provide as per technical specifications given
5	Expander - 12Gb SAS Expander Card with Cables – cable qty not stated, I have added 4 x 12Gb HD-Mini to HD-Mini SAS Cable, 2M, for use with H355e that is included within server. (Dell Technologies Host Bus Adapter 355e(Dell HBA355e Adapter) is a non-RAID solution card that is used as a data controller by connecting to external JBODs and tape drives) – this doesn't show on attached DSC, but I have added later to config.	Provide as per technical specifications given We have provided high-level requirements. Vendor to customize and propose working solution based on their bid response

All other details, terms and conditions (including closing date and time) remain the same.
